

Sustainable Living Workshop

Riverstone Retreat, Durham

Saturday, September 12, 2015 8:30am to 5:00pm

The third in a series of Sustainable Living Workshops with hands on learning experiences.

This day will focus on Sustainable Building Techniques specifically the use of clay and straw as a building material.

You'll learn how alternative techniques and materials can be used to create modern, energy efficient, low carbon and healthy building structures.

See Riverstone Retreat's:

- "Eco-Nest"
- Stack Wall construction
- Central Solar Hot Water Plant

Sessions include:

- Hands on Clay Cob Construction workshop with Josh Thornton
- Wattle and Daub wall building; the preparation of materials and building techniques
- Food Prep from your garden

Reserve your spot Now!
